Dear Matt Geisel,

Good Afternoon. This is a "post-season" email being sent to all Coaches/Assistant Coaches. I must say this has been the craziest spring season in a while. In the fall we tend to enjoy great weather and the kids tend to have very minimal scheduling conflicts. However, the spring is always a little rockier with the weather. However, by my count we had 7 bad weather Saturdays this spring. Typically it is 4 of 8, not 7 of 8!

Upfront I realize this is a long email, but we do ask that you read the whole thing.

Bracketing for next year: The bracketing process is not an exact science. Good information and feedback from coaches helps us make the bracketing and scheduling process be better. As such, please send to Les Miller (@ heartmethod@hotmail.com with cc to president@rioranchosoccer.com) two items:

1. Your comments/suggestions for bracketing: Does your team need to go up? Stay put? Go down? Is there another team in your bracket that you feel needs to be moved?
2. Your win-loss record for the Spring Season.

Next Season.... As you probably know, RRSC is looking to implement a three-track system starting in the Fall of 09. Many thanks to those of you who attended the Coaches' and/or Parents' meetings. The three track system is Classic, Developmental and Club. Attached is the white paper we discussed at the meetings. We are in the process of adding this information to the website. **The "Playing Opportunity" for the Developmental and Club Track teams will take place on May 28 and June 4 at RR Sportsplex on High Resort. Please see attached flier.**

Continuing with next season, **registration will start on May 29th at our Soccer Jamboree.** We will open on-line registration at the same time. We are editing and updating the Registration pages of the website. You can expect to see updates on there within one week.

Summer Soccer.... We have a **great offering of summer camps this year.** Please see the attached flier for complete details. The offerings include:

- World Cup Camp
- Striker and Goalkeeper Camp
- Team Camp
- Monday Night Skills
- Agility and Speed small group sessions with Junro
- Goalkeeping in private or small group sessions with Jeff Tolley

Speaking of summer soccer, as a board we opted to not host a 3v3 league this summer. **We are concentrating our efforts in areas that meet the needs of both individuals and teams for your kids to stay active and to improve their skills.** In addition to our camps, there are few summer leagues for teams looking to play games:

- NWRGSL is organizing a summer Futsal League. Futsal is a great game; it is very developmentally enriching. Futsal is how Brazilians learn to play. There are two other Futsal leagues in ABQ, too.
- The Kick It 3v3 on July 18-19 @ State Farm Complex in Bernalillo/Santa Ana Pueblo. This is a fund-raiser for RRHS Soccer!
See: http://kickit3v3.com/tournaments.aspx?section_id=14
- Plus there are other 3v3 Leagues in the greater metro area.

Intel Coaches: A special thanks (and reminder) to all those Intel Coaches.... Thanks for logging your hours! We just got the check for 2008. Please be sure to log your hours for the spring. These ancillary funds really help us offer more and charge less than other clubs.

Thanks for your help!

Coaching Education and Referee Certification: Please be sure to keep an eye on www.nmysa.net for their Fall Coaching education schedule and www.nmsra.org for their referee certification clinics. Typically NMYSA provides a good amount of lead-time whereas it is a good idea to check NMSRA regularly as their lead time is much shorter.

RRSC's Annual General Meeting is slated for May 19th at 7PM. Please mark the date. Please attend. Please also encourage your team's parents to attend. We are in the need of new board-members to bring in new ideas and energy.

Yours in the beautiful game!
